

# MAKANTA

Entry Level Programmer

## WORK EXPERIENCE

**Sungrid- Niger, NG**  
Website Developer

September 2024 – Present

- Used React, Tailwind CSS, and JavaScript in the development process to create interactive web interfaces.
- Initiated a website redesign that led to a 25% increase in average session duration.
- Implemented and managed website analytics programs, resulting in a 15% improvement in decision-making.
- Performed routine website updates, decreasing system downtime by 15%.

**Numtify**  
Frontend Developer

March 2024

- Designed, developed, and deployed the Numtify number verification client-side app, fetching data from an endpoint.
- Responsible for developing mobile responsiveness and ensuring compatibility across various screen devices and viewports.
- Analyzed and resolved website performance issues, resulting in a 15% faster loading time.

## EDUCATION

**Federal University of Technology - Minna, Nigeria**  
Bachelor of Technology – Electrical Engineering

May 2018- February 2024

- Acquired proficiency in programming languages including C, C#, and JavaScript, along with a solid understanding of web fundamentals.
- Actively participated in numerous coding workshops and collaborated effectively in team settings.
- Developed complex problem-solving skills through a rigorous engineering curriculum.

## PROJECTS

**Sungrid Solutions Landing Page**

September 2024

- Developed and deployed a responsive landing page for a solar and electrical consultation service.
- Implemented a clean, user-friendly interface featuring a hero section, project showcases, testimonials, and contact forms.
- Integrated an accessible footer and optimized the layout for performance across devices using React and Tailwind CSS.

**Personal Portfolio site**

August 2024

- Applied responsive design principles to ensure proper rendering on various devices, improving mobile usability by 25%.
- Enhanced proficiency in JavaScript, Tailwind CSS, and Framer Motion while successfully developing and launching my portfolio app.
